WELCOME HOME

Elegant and spacious is what you get with the Ascot, bringing a variety of textures and materials to a visually striking modern façade.

The dual timber posts and short brick pier instantly open up the front porch, with the brick nib allowing it to run the full width of the home. A mix of timber, cladding and brick textures ensures the space feels inviting rather than empty, creating the perfect backdrop for those family photos.

"I added the open gable to carry through the sense of openness the Ascot already has, while showcasing a variety of textures without crowding the front elevation. The open gable lets the brickwork, timber and cladding all work together, with their lines naturally leading you toward the front door."

& Highlights

ELEVATED PITCH

A LITTLE EXTRA HEIGHT MAKES A LASTING FIRST IMPRESSION. THE ELEVATED ROOF PITCH DRAWS YOUR EYE UPWARD, GIVING THE FAÇADE AN ELEGANT PROFILE WHILE BRINGING THE ENTRY INTO FOCUS. IT'S A DETAIL YOU'LL APPRECIATE EVERY TIME YOUR HOME COMES INTO VIEW.

CLADDING

THE FINER DETAILS ARE OFTEN WHAT MAKE A HOUSE FEEL LIKE HOME. WITH ITS CLEAN HORIZONTAL LINES AND FAMILIAR TEXTURE, THE CLADDING SOFTENS THE FRONTAGE AND SITS COMFORTABLY ALONGSIDE THE BRICKWORK, GIVING THE FAÇADE A RELAXED CHARACTER THAT FEELS WELCOMING FROM THE STREET.

EXTENDED ENTRY

EXTENDING THE ENTRY BRINGS THE WELCOME A LITTLE CLOSER. FRAMED BY THE SURROUNDING POSTS AND ROOFLINE, THE PORCH GIVES THE FRONT DOOR A STRONGER PRESENCE AND CREATES A NATURAL PLACE TO PAUSE. SAY HELLO AND ENJOY THOSE EVERYDAY MOMENTS OF COMING AND GOING.
