NOTHING TO HIDE

BRIDGEHAMPTON

UPGRADE

Bridgehampton

WELCOME HOME

With a modern farmhouse feel at its heart, the Bridgehampton brings the cosy charm of a country cottage together with a refined, contemporary façade.

The open gable extends forward, supported by a feature stone pier and timber post, and when paired with Linea cladding and brickwork, it creates a layered texture across the frontage. The result is a welcoming porch that's perfect for a morning cuppa and a home with distinctive character you'll love coming back to every single day.

"I'm especially proud of how the open gable came together on Bridgehampton. You often see a big king post through the middle, but I chose not to go that way; instead, I kept the timber supports equal in thickness, allowing the side supports to sit at a 45-degree angle and create a softer gable that complements the façade without overpowering it."

Greg Heaton
Technical Building Manager

FACADE DETAILS & Highlights

ELEVATED GABLE

SITTING PROUDLY ABOVE THE PORCH, THE ELEVATED GABLE GIVES THE FRONTAGE ITS DISTINCTIVE FARMHOUSE CHARACTER. THE OPEN FRAMEWORK ADDS DETAIL WITHOUT FEELING HEAVY, DRAWING YOUR EYE TOWARD THE ENTRANCE AND SETTING THE SCENE FOR A HOME THAT FEELS BOTH CONSIDERED AND WONDERFULLY COSY.

FEATURE PIER

THE FEATURE PIER GIVES THE FAÇADE A CLEAR POINT OF FOCUS, BALANCING THE LIGHTER CLADDING AND THE ROOFLINE ABOVE. ITS SOLID PROPORTIONS BRING THE FRONTAGE TOGETHER, SO YOU NOTICE THE HOME AS A WHOLE BEFORE TAKING IN THE SMALLER DETAILS THAT GIVE IT CHARACTER.

EXTENDED ROOFLINE

CARRYING THE ROOFLINE FORWARD GIVES THE PORCH A PLACE OF ITS OWN WITHIN THE FAÇADE. THE EXTRA DEPTH BRINGS THE GABLE, POSTS AND ENTRY TOGETHER, CREATING A LAYERED FRONTAGE THAT CATCHES YOUR EYE FROM THE STREET AND DRAWS YOU TOWARD THE FRONT DOOR.
