CAROLINA

Carolina

WELCOME HOME

Carolina is designed for those who appreciate understated perfection, offering a façade that sits effortlessly on the street while still catching the eye with its finer details.

The feature brick posts frame an inviting entry, while the rest of the façade is beautifully balanced with cladding and brickwork to create a home that feels both comfortable and beautifully new. Every time you turn into the driveway, you're met with the same familiar "welcome home" feeling that makes arriving back never get old.

"It was important to me when designing Carolina that the brickwork and cladding truly complement each other, and I believe that harmony is really captured in that front room section, where the brickwork lines the bottom of the cladding, almost highlighting it, while also giving the windows a natural resting point."

FACADE DETAILS & Highlights

ELEVATED ROOFLINE

RAISING THE ROOFLINE GIVES THE ENTRANCE A LITTLE MORE PRESENCE, HELPING IT STAND PROUDLY WITHIN THE FRONTAGE. BALANCED BY THE BRICKWORK AND CLADDING BELOW, THE ADDED HEIGHT BRINGS A SENSE OF OCCASION TO THE EVERYDAY PLEASURE OF PULLING UP AT HOME.

WIDE ENTRY

A WIDE ENTRY GIVES THE FRONT DOOR ROOM TO BE NOTICED AND THE WHOLE FRONTAGE SPACE TO FEEL WELCOMING. FRAMED BY BRICKWORK AND SOFTENED BY THE ADJOINING CLADDING, IT CREATES AN EASY, OPEN APPROACH THAT FEELS FAMILIAR FROM THE VERY FIRST VISIT.

CLADDING EXTERIOR

CLADDING BRINGS A SOFTER TEXTURE TO THE EXTERIOR, WITH HORIZONTAL LINES THAT CONNECT THE DIFFERENT PARTS OF THE FAÇADE. ALONGSIDE THE BRICKWORK, IT CREATES A BALANCE OF DETAIL AND SIMPLICITY, GIVING THE HOME A COMFORTABLE, FAMILIAR LOOK WITH A FRESH FINISH.
