FORTITUDE

Fortitude

WELCOME HOME

Classic in style and modern in detail, Fortitude is built around creating familiar Queenslander moments and will have you firing up the barbie and inviting everyone over.

The feature wall cladding breaks up the traditional brickwork with a subtle change in texture, creating a focal point that naturally draws you toward the generous entryway and adds a sense of occasion to every arrival. With this timeless design, you'll already feel at home long before you step inside.

"A front porch with extra space for decorative plants or a small outdoor table and chair set was something that really excited me about this design. I still remember my parents sitting out front in the late afternoons, watching us ride our bikes up and down the street, and I wanted to capture that same feeling here."

FACADE DETAILS & Highlights

CLADDING DETAILS

A CHANGE IN TEXTURE CAN MAKE A FAVOURITE CORNER OF THE HOME STAND OUT. THE CLADDING AROUND THE PORCH BREAKS UP THE BRICKWORK WITH A SOFTER FINISH, DRAWING ATTENTION TO THE ENTRY AND BRINGING A TOUCH OF CLASSIC QUEENSLAND CHARACTER TO THE FRONTAGE.

QUALITY BRICK

BRICKWORK BRINGS A FAMILIAR SENSE OF WARMTH AND SUBSTANCE TO THE FAÇADE. ITS TEXTURE ADDS INTEREST UP CLOSE, WHILE THE CLEAR LINES OF THE PIERS AND WALLS GIVE THE FRONTAGE DEFINITION, CREATING A COMFORTABLE BALANCE WITH THE LIGHTER CLADDING AND FINER DETAILS AROUND IT.

ELEVATED ROOFLINE

RAISING THE ROOFLINE GIVES THE ENTRANCE A LITTLE MORE PRESENCE, HELPING IT STAND PROUDLY WITHIN THE FRONTAGE. BALANCED BY THE BRICKWORK AND CLADDING BELOW, THE ADDED HEIGHT BRINGS A SENSE OF OCCASION TO THE EVERYDAY PLEASURE OF PULLING UP AT HOME.
