NOTHING TO HIDE

South Hampton

WELCOME HOME

Made for those who love classic Hamptons styling, the South Hampton brings everything you adore about coastal design while remaining versatile enough to sit comfortably in any estate streetscape.

The layered gable front is finished in Linea cladding and is contrasted by vertical timber posts, all highlighted by lower-level brickwork and solid brick piers. The finishing touch is the signature Hamptons vent set into the gable, completing an entry that always feels inviting.

"With the South Hampton, the goal was to move beyond the standard Hamptons look, so I deliberately extended the gable to the edge of the porch. The layered gable adds depth and visually centres the porch. The result is a refreshed take on Hamptons' styling that remains true to its classic coastal roots."

Greg Heaton
Technical Building Manager

FACADE DETAILS & Highlights

EXTENDED GABLE

EXTENDING THE GABLE TO THE EDGE OF THE PORCH GIVES THIS CLASSIC COASTAL FEATURE A LITTLE MORE PRESENCE. THE LAYERED ROOF SHAPES ADD DEPTH AND FRAME THE ENTRANCE, BRINGING A RELAXED HAMPTONS FEEL TO A FRONTAGE THAT MAKES ARRIVING HOME SOMETHING TO LOOK FORWARD TO.

CIRCULAR VENT

SOMETIMES IT'S THE SMALLEST DETAIL THAT GIVES A HOME ITS PERSONALITY. SET INTO THE GABLE, THE CIRCULAR VENT ADDS A FAMILIAR HAMPTONS TOUCH, SOFTENING THE STRAIGHT LINES AROUND IT AND COMPLETING THE COASTAL LOOK WITH A FEATURE THAT FEELS RIGHT AT HOME.

CLADDING APPEAL

HORIZONTAL CLADDING BRINGS AN EASY COASTAL FEEL TO THE FRONTAGE, ADDING TEXTURE WITHOUT TAKING AWAY FROM THE GABLES AND POSTS. ITS FAMILIAR LINES SIT BEAUTIFULLY ALONGSIDE THE BRICKWORK, CREATING A HOME THAT FEELS RELAXED, THOUGHTFULLY DETAILED AND READY FOR YOUR OWN FINISHING TOUCHES.
